

Dear Family Sponsor,

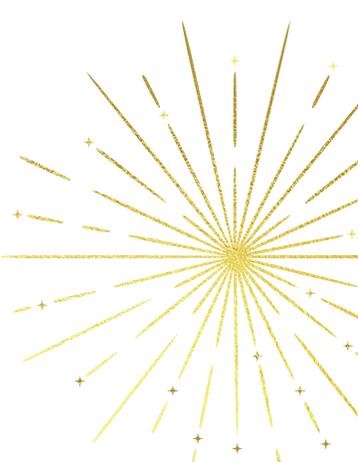

Thank you for sponsoring a family. Here are the guidelines we would like all sponsors to view and use while shopping for and building your family's basket or baskets.

Why are we sending you this? We've found over the years that not all families receive the same type of Baskets. We want every family to have a similar experience with our Holiday Basket Program.

Do you have to use the items we listed? No... they are a guideline to help assist with ideas while you are shopping.

Thank you for our generosity, time, and support of BCC's Holiday Basket program.

BCC Holiday Basket Committee
